

FIG. 1A

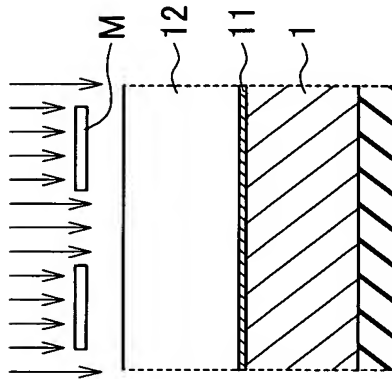

FIG. 1B

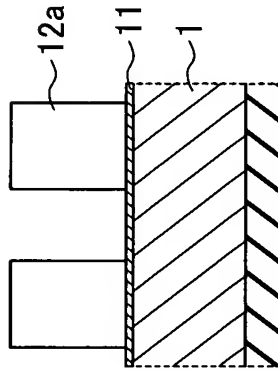

FIG. 1C

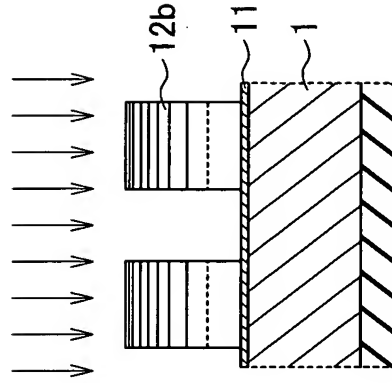

FIG. 1D

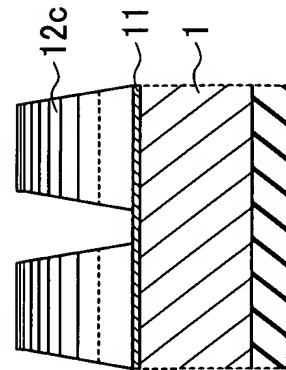

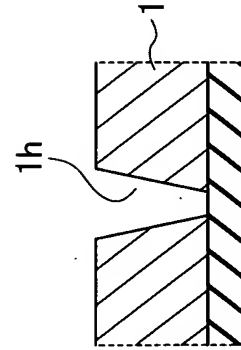

FIG. 1E

A cross-sectional view of a multi-layered structure. It features a central core (1) with diagonal hatching, flanked by two side layers (2) with horizontal hatching. A thin layer (11) is positioned between the core and the side layers. Two cylindrical components (12b) are attached to the outer surfaces of the side layers. Arrows on the left indicate a direction of flow or force.
